Objective

I want to work in a company comprised of individuals with whom I can share a passion for automating solutions through the use of highly extensible tools.

Projects

- Vim-inspired terminal filebrowser written in Rust
- Resume written in GNU Troff(Groff)
- SMTP, IMAP, HTTPS and SSH server: www.jer.xc

Skills

<u>Languages</u>	<u>Tools</u>	<u>Services</u>	<u>Platforms</u>
<ul style="list-style-type: none">• Bash• Rust• JavaScript• HTML & CSS• SQL	<ul style="list-style-type: none">• Vim• Git• SSH• Sed & Awk• GNU Make	<ul style="list-style-type: none">• Cron• SSH• Postfix• MariaDB• systemd	<ul style="list-style-type: none">• Arch• CentOS• Debian

Certifications & Education

- LPI Certified [LPIC-1: Linux Administrator](#) | Mar '19 - Mar '24
- High School Diploma | Olympia Highschool | Orlando, FL | 2016
